INT. OUTSIDE MAXI MART - DAY

The Maxi Mart convenience store is covered in a pest control tent. A MAN wearing a HAZMAT suit is looking at a clipboard and keeps glancing at the Maxi Mart. BEAVIS and BUTT-HEAD enter.

BUTT-HEAD

Uhh, so like, we want nachos or something.

BEAVIS

Yeah, yeah. Heh heh. And a slushie.

The man replies to them without looking up from his clipboard, in a dry, rehearsed voice.

MAN

I'm afraid the Mart's closed until we get the roach problem under control.

BUTT-HEAD

Uh, huh huh. The what problem?

MAN

Cockroaches. You know, bugs.

Beavis and Butt-Head start laughing. The Man looks up at them for the first time.

BUTT-HEAD

Huh huh. You said-

MAN

Do you boys need something?

BUTT-HEAD

Yeah. Nachos.

BEAVIS

And a slushie. Heh heh.

MAN

I told you already, the Mart's closed.

BEAVIS

No it's not. Maxi Mart is supposed to be open 24 hours.

MAN

Well it's not anymore, not until we get the roaches under control.

BUTT-HEAD

Damnit. Where are we supposed to get Nachos?

MAN

Why don't you try the grocery store?

BUTT-HEAD

Come on Beavis, this guy sucks. Huh huh. We'll get some nachos somewhere else.

BEAVIS

Yeah, heh heh. Bung hole.

Beavis and Butt-Head walk away. The Man frowns at them before turning back to his clipboard.

INT. GROCERY STORE PRODUCE AISLE - DAY

Beavis and Butt-Head stand in the grocery store next to the bananas. Beavis grabs a bunch of bananas while Butthead looks up at a sign that says 'Fresh Produce' and laughs.

BUTT-HEAD

Huh huh huh. Produce.

An EMPLOYEE walks up to them.

EMPLOYEE

Can I help you boys find anything?

BUTT-HEAD

Where are the nachos?

BEAVIS

Yeah, and the slushies.

EMPLOYEE

Um, we don't have slushies. You can find tortilla chips in the snack aisle. Aisle number 2.

Beavis and Butt-Head walk away laughing. Beavis is still carrying the bananas.

BUTT-HEAD

Huh huh huh. Number 2.

BEAVIS

Heh heh. Yeah, I could take a number 2 myself.

CUT TO:

Beavis and Butt-Head walk down the snack aisle in single file. Butt-Head reads and chuckles at the various snack brands with Beavis following behind him.

BUTT-HEAD

Hershey's. Munchables. Fritos.

BEAVIS

(softly)

Fritos. Fritos.

Beavis stops to set down the banana and replaces it with a bag of Fritos. He catches up to Butt-Head, who has stopped.

BUTT-HEAD

Wait. Huh huh. So, uh. What were we looking for again?

BEAVIS

Um, heh heh. Uh, oh yeah. Uhhh.

BUTT-HEAD

Hmm.

They both stare blankly.

CUT TO:

Beavis and Butt-Head walk back to the Employee, who is stocking cucumbers. He is busy shelving the cucumbers and doesn't look over to them.

BUTT-HEAD

So uhh, what were we looking for again?

The Employee looks up at them. He sighs and turns back to the cucumbers.

EMPLOYEE

Tortilla chips are in aisle 2.

BUTT-HEAD

Oh yeah.

Butt-Head walks out of frame but Beavis stays behind to swap his Fritos for a cucumber.

BEAVIS

Cu-cum-ber. Cucumber. Heh heh heh.

Beavis walks out of frame.

CUT TO:

Beavis and Butt-Head locate the tortilla chips.

BUTT-HEAD

Uh, found them. Toast-tilla chips. Huh huh.

BEAVIS

Cool. Heh heh. Nachos.

Beavis puts the cucumber on the shelf and grabs a bag of chips.

BEAVIS

Umm, so where's the cheese Butt-head?

BUTT-HEAD

They're like, in a different spot or something.

BEAVIS

That sucks, heh heh. The nacho cheese is supposed to be right next to the nachos.

BUTT-HEAD

Yeah, huh huh huh. The people who work here are dumb.

CUT TO:

Beavis and Butt-Head again walk back to the Employee who is now stocking Papayas.

BUTT-HEAD

We found the nachos, but like, we need cheese.

EMPLOYEE

They're by the meats, all the way at  
the end.

BUTT-HEAD

(chuckling)

Meats. Huh huh huh huh. End.

They walk out of frame.

BEAVIS

(softly)

Papaya.

CUT TO:

Butt-Head is watching a rotisserie chicken rotate in a glass  
case.

BUTT-HEAD

Huh huh huh. That chicken's got a stick  
up its butt. Huh huh.

Beavis walks up to Butt-Head with a solid block of orange ched-  
dar cheese.

BEAVIS

All they have are these squares. Heh  
heh.

BUTT-HEAD

They're trying to be fancy. C'mon, huh  
huh. let's get out of here.

CUT TO:

Beavis and Butt-Head walk to the check out area. Everybody is  
piled into a single manned lane, leaving the four self-checkout  
machines empty. A female CASHIER tries getting people to use the  
machine but nobody is budging.

CASHIER

Ladies and gentlemen, the self-checkout  
lanes are open. They're fast and conve-  
nient.

BUTT-HEAD

What the hell is this crap?

BEAVIS

They're was never a line at Maxi Mart.

BUTT-HEAD

This store sucks.

The Cashier notices them and comes towards them and motions toward the machines. Beavis and Butt-Head notice her ample bosom. Their eyes get wide.

CASHIER

Would you boys like to use the self-checkout? It's easy and there's no line.

BUTT-HEAD

Uh. Okay, huh huh.

BEAVIS

I'd like to self-checkout, if you know what I mean. Heh heh heh.

Beavis and Butt-Head walk to the nearest machine. The feminine AUTOMATED VOICE starts up.

AUTOMATED VOICE

Welcome to the fast lane.

BUTT-HEAD

Woah.

BEAVIS

Butt-Head, there's a chick in there. Heh heh.

BUTT-HEAD

Cool. Huh huh.

FADE OUT:

FADE IN:

Beavis and Butt-Head are still standing at the checkout machine. Nothing is happening. The Cashier comes up to them.

CASHIER

Do you boys need some help?

BUTT-HEAD

Uh, yeah. Tell this chick to hurry up.

BEAVIS

Yeah, yeah. She's really slow.

BUTT-HEAD

Yeah, really. Huh huh.

CASHIER

Boys, in the self-checkout you scan your own items, like this.

The Cashier grabs the cheese from Butt-Head, scans it, and puts it in the bagging area, leaning over which exposes some cleavage.

AUTOMATED VOICE

3.99.

BUTT-HEAD

Woah. Cool.

CASHIER

You see how easy it is?

BUTT-HEAD

Uh. Not really. Huh huh. Maybe you should like, do that again.

The overloaded CLERK yells over to the Cashier.

CLERK

Leena! Nobody wants to use those machines. I need you to open a second register here.

CASHIER

Ok, Rod. Be right there.

(to Beavis and Butt-Head)

Good luck boys.

Beavis and Butt-Head watch the Cashier walk away.

BUTT-HEAD

Come to Butt-Head. Huh huh. Leena.

BEAVIS

Heh heh. Rod. Uh, Butt-Head. I'm getting tired of holding these nachos.

Butt-Head smacks Beavis.

BEAVIS

Ahhh!

BUTT-HEAD

Damnit, Beavis. You scared her off.

BEAVIS

Oh. Sorry about that. Heh heh.

BUTT-HEAD

Let's just buy these nachos and get out of here.

BEAVIS

What did she do again?

BUTT-HEAD

You just like, wave the bag right here.

Butt-Head points to the scanning area. Beavis shakes the tortilla chips up and down (resembles masturbation) but the bar code is on the wrong side.

FADE OUT:

FADE IN:

Beavis is still waving the chips. He's getting tired.

BEAVIS

I don't think it's working Butt-Head.

BUTT-HEAD

Damnit Beavis, you broke it. Let's use a different one.

Butt-Head leans down and grabs the cheese from the machine.

AUTOMATED VOICE

Please place the item back in the bagging area.

Beavis and Butt-Head laugh while turning around to the machine behind them.

BUTT-HEAD

Bagging area. Huh huh huh.

They stand in front of the new machine.

AUTOMATED VOICE

Welcome to the fast lane.

BEAVIS

Woah. Heh heh. How did she get over here?

BUTT-HEAD

Dumbass. She just like, ran really fast or something.

BEAVIS

Cool.

Butt-Head waves the cheese in front of the machine, which luckily scans right away.

AUTOMATED VOICE

3.99.

He tosses it into the bagging area.

BUTT-HEAD

Now scan the nachos, dude.

BEAVIS

Uh, okay.

Beavis shakes the chips but the barcode is on the wrong side again. Butt-Head smacks him.

BUTT-HEAD

Damnit, Beavis, you're doing it wrong.

Butt-Head grabs the chips from Beavis and shakes them hard. The machine doesn't respond.

BUTT-HEAD

These chips must be broken. Go get another bag Bunghole.

BEAVIS

Uh, okay.

Beavis wonders off to find another bag. Butt-Head stands in front of the machine.

AUTOMATED VOICE  
Please scan your next item.

BUTT-HEAD  
Huh huh huh. You want to see my next item?

Beavis returns with another bag of chips. They again fail to scan.

BUTT-HEAD  
Damn it, this bag is broken too. Get another one.

BEAVIS  
Um, heh heh. Okay.

Beavis wanders off again. Butt-Head throws the chips on the floor.

FADE OUT:

FADE IN:

The self-checkout machine now has dozens of chip bags lying on the floor. Beavis scans the latest bag and it finally manages to catch the bar code and scan.

AUTOMATED VOICE  
2.69.

BUTT-HEAD  
Woah. Cool. Huh huh.

AUTOMATED VOICE  
Please place the item in the bagging area.

BEAVIS  
Uh. Okay.

Beavis takes a couple steps closer to the bagging area. He leans in close to put the chips down but leans too far and presses against the bagging area.

AUTOMATED VOICE

Please remove the last item from the bagging area and scan it.

BEAVIS

Oh, oh yeah. Sorry about that.

Beavis lifts the chips back up and leans back to rescan the chips.

AUTOMATED VOICE

Please place the item back in the bagging area.

BEAVIS

(angry)

DAMNIT! THIS CHICK IS PISSING ME OFF!

He kicks the machine.

BUTT-HEAD

This store sucks. Huh huh. Come on, let's go get nachos at Maxi Mart.

BEAVIS

Yeah, and a slushie. Heh heh.

Beavis throws the chips on the ground and kicks the machine a few times before turning to catch up to Butt-Head.
